## MUSICAL RING GAME to play outdoors

Remember Duck Duck Goose or Postman's Knock?

Try making your own version.  
How about this?

One child (A) walks round the circle of children as everyone sings. On the phrase 'elephant washing his clothes', (A) taps a child (B) on the shoulder.

(B) stomps into the middle and (A) takes (B)'s place.

(B) and everyone else act out washing the clothes and then (B) puts on an elephant mask and/or picks up an instrument and starts to stomp as everyone sings.

Then (B) starts to walk round and the game continues with a new animal each time
